Rick Maxey, *Superintendent*
Horry County Schools
Conway, South Carolina

Dear Mr. Maxey,

Bridgewater Academy would like to request an amendment to our Charter.

Currently our Charter states:

> *Bridgewater will have a minimum enrollment of fifty (50) students and currently has a maximum enrollment of one hundred fifty-four (154) students (a 17-1 ratio).*

Proposed amendment

We would request that our student/ teacher ratio be increased from *17-1* to *19-1*.

Thank you for your continued support.

Sincerely,

Steve Wilson, *Principal*
