3. PUBLIC COMMENTS

No one signed up to address the Board during Public Comments.

4. DISCUSSION

A. Facilities Committee Report

Mr. James gave a report from the Facilities Committee meeting held earlier today. An update was given for the ongoing projects, and all punchlist items should be complete by August at the five new schools.

The Committee discussed other topics, including the Five-Year Capital Plan. The Committee will be making a recommendation during the Committee of the Whole that the Board make a priority of three items, namely, a new alternative school, renovations and additions to Aynor Middle School, and building of a transportation/records/science kit center.

B. Budget Update

Mr. Gardner shared there was no action last week in the Legislature, and therefore, he has no update on the budget at this time.

C. Monitoring Report: OE-13

Mr. Wolfe highlighted information from the monitoring report and offered to answer any questions.

D. Committee of the Whole: Five-Year Capital Plan

Mr. DeFeo opened up the Committee of the Whole and called for the recommendation of the Facilities Committee. Mr. DeFeo noted that the Committee of the Whole will be voting on a recommendation to the full Board.

1) Facility Construction Needs

Mr. James shared that the Facilities Committee reviewed the two projects that were delayed from the most recent building plan, which included an addition and renovation at Aynor Middle School and replacement of the alternative school. Mr. James noted that after combining the cost of the Aynor Middle renovation and the replacement cost for the alternative school, the Facilities Committee recommends adding a third project, which is to build a transportation/records/science kit center. Mr. James added that the cost for the three projects fall within the realm of what the District can afford using the “Pay as You Go” option. The Facilities Committee recommends these three projects to the Committee of the Whole for discussion. Mr. DeFeo stated that this comes to the Committee of the Whole from the Facilities Committee, and therefore, the recommendation serves as the motion. Following discussion, Mr. DeFeo called for a vote. Mr. James asked to clarify the recommendation of the Facilities Committee to the Committee of the Whole, which shall serve as a motion, that the next three projects should be renovation and expansion of Aynor Middle School, rebuild of the Horry County Education Center, and a new building for the transportation/records/science kit center. Mr. Poston asked if this motion is approved, will this serve to direct the Facilities Department to start this process. Mr. DeFeo stated, “This is a vote to say we are going in this direction and the next step is to get information on the procurement processes (design-bid-build, design-build, and IPD).”

Following the discussion, a non-binding vote was taken on the recommendation of the Facilities Committee to the Committee of the Whole as follows: Allen, Cox, Graham, Hardwick, James, Morreale, Poston, Timms, and Winters – in favor; Heniford had stepped away momentarily and was not present when the vote was taken. The Board Chair did not cast a vote on this item.

2) Funding Options

Mr. DeFeo noted we do not have any new information and do not know at this time if there will be any surplus funds available from operations. Mr. Hardwick and Mr. Poston shared they are opposed to utilizing the District’s 8% debt capacity. Mr. Poston added that he would like to see information on the options should the Board consider moving to 12.5 or 13% versus the current 15% in our reserve funds.

There being no further comments, Mr. DeFeo closed the Committee of the Whole.

E. Superintendent's Report

1) Textbook Adoptions

The State Department of Education anticipates that allocations will be available to fully fund adoption of the recommended textbooks to support identified areas of Street Law, Forensic Science, Advanced Grammar and Composition, Journalism, and Speech. The materials for this adoption went through the State public review process prior to consideration and through the District's adoption process.

2) Energy Reduction Milestone Achievement Award

South Carolina requires by law that school districts achieve a 20% reduction in energy consumption by 2020. This energy reduction had to occur by July 2020, for buildings that were already in use July 1, 2008. Horry County Schools has been recognized for working to reduce energy usage in our schools that were in operation in 2008, and we have had three successive years where we had a reduction of 20% from the baseline. We are proud of our Facilities Department in this regard and this is the result of a multitude of steps that have been taken to reduce energy usage.

5. EXECUTIVE SESSION

A. Discussion of Personnel Recommendation(s)

B. Discussion of School Property

Board Action: A motion was made by Mr. James and seconded by Mr. Hardwick to move into Executive Session for discussion of personnel recommendations and discussion of school property. The motion carried and the Board moved into Executive Session at 6:43 p.m.

Board Action: A motion was made by Mr. James and seconded by Ms. Heniford to return to open session. The motion carried and the Board returned to open session at 7:34 p.m.

6. BUSINESS

A. Consideration of Recommendation(s) to Employ Personnel

Dr. Maxey made a recommendation to the Board to hire Mr. Richard Crumley to serve as the principal of Loris High School effective with the 2018-19 school year.

Board Action: A motion was made by Mr. James and seconded by Mr. Hardwick to approve the recommendation to hire Mr. Richard Crumley to serve as the principal of Loris High School effective with the 2018-19 school year. The motion carried unanimously. The Board Chair did not cast a vote on this item.

Dr. Maxey made a recommendation that April Scott be transferred from the Executive Director of Middle Schools position to the Executive Director for Secondary Schools position effective with the 2018-19 school year.

Board Action: A motion was made by Mr. Winters and seconded by Mr. James to approve the recommendation to transfer April Scott from the Executive Director of Middle Schools position to the Executive Director of Secondary Schools position effective with the 2018-19 school year. The motion carried unanimously. The Board Chair did not cast a vote on this item. Ms. Scott was recognized and congratulated on her appointment.

B. Consideration of Approval of 2018-19 Employment Contracts

Board members recused themselves from the vote on approval of employment contracts for their relatives as follows:

Shanda Allen – Pamela Dyson, Dixie Cox, and Adrien Hardwick
David Cox – Jonathon Lee James
Neil James – Mary Anderson
John Poston – Robin H. Poston
Pam Timms – Sarah T. Baiden

Board Action: A motion was made by Mr. James to approve the employment contracts, with the exceptions as noted on the recusals. The motion was seconded by Mr. Hardwick and carried unanimously. The Board Chair did not cast a vote on this item.

C. Consideration of Change Orders for Modulares – AES and CFES

Board Action: A motion was made by Mr. James to approve the change orders for the modular classrooms installed last summer at CFES and AES. Board approval is required because the change orders exceed the OE-13 change order threshold of 5% for the Superintendent's approval. The change order amount for AES is \$63,829.90, or 11.9%. The change order amount for CFES is \$49,011.30, or 9.8%. The motion was seconded by Ms. Timms and carried unanimously. The Board Chair did not cast a vote on this item.

7. CONSENT AGENDA

- A. Personnel Recommendations as Required by Law;**
- B. Monitoring Report: OE-9 Communicating with the Public;**
- C. Education Fund Distribution – District 7; and**
- D. Education Fund Distribution – District 9**
