Governing Commitments

The Board will: govern lawfully with primary emphasis on **Results** for students; encourage full exploration of diverse viewpoints; focus on governance matters rather than administrative details; observe clear separation of Board and Superintendent roles; make all official decisions by formal vote of the Board; and govern with long-term vision.

1. The Board will function as a single unit. The opinions and personal strengths of individual members will be used to the Board's best advantage, but the Board faithfully will make decisions as a group by formal vote. No officer, individual, or committee of the Board will be permitted to limit the Board's performance or prevent the Board from fulfilling its commitments.
2. The Board is responsible for its own performance and commits itself to continuous improvement. The Board will assure that its members are provided with training and professional support necessary to govern effectively. As a means to assure continuous improvement, the Board regularly and systematically will monitor all policies in this section.
3. To ensure that the Board's business meetings are conducted with maximum effectiveness and efficiency, members will:
 - a. come to meetings adequately prepared
 - b. speak only when recognized
 - c. not interrupt each other
 - d. not engage in side conversations
 - e. not repeat what has already been said
 - f. not "play to the audience" or monopolize the discussion
 - g. support the Chair's efforts to facilitate an orderly meeting
 - h. communicate openly and actively in discussion and dialog to avoid surprises
 - i. encourage equal participation of all members**
 - j. practice respectful body language
 - k. place emphasis on building consensus among members
 - l. seek the input of the Superintendent as issues are discussed and decisions made.

Board members' attendance at all meetings and work sessions will be monitored monthly.

4. The Board will use a consent agenda as a means to expedite the disposition of routine matters and to dispose of other items of business it chooses not to discuss. All administrative matters delegated to the Superintendent that are required to be approved by the Board will be acted upon by the Board via the consent agenda. Prior to the adoption of the agenda, an item may be moved from the consent agenda to the business section upon request of a single member.
5. After the first full cycle of monitoring, the monitoring of **Operational Expectations** policies will be included on the agenda for separate discussion only if the Superintendent's reports indicate non-compliance, if a member of the Board has questions about the Superintendent's compliance or reasonable interpretation, or if policy content is to be debated. Otherwise, **OE** monitoring reports will be included in the consent agenda.
6. The Board will direct the organization through policy. The Board's major focus will be on the results expected to be achieved by students, rather than on the strategic choices made by the Superintendent and staff to achieve those results.
7. The Board, by majority vote, may revise or amend its policies at any time. However, as a customary practice, a proposed policy revision will be discussed at one session of the Board prior to being approved at a subsequent Board meeting.
8. A record of all Board action will be maintained online. Motions and the results of motions will be kept in a searchable database.

If committees are established, they will be used exclusively to support the work of the Board as described in Policy GC-3 and will never be created or used to assist or oversee the Superintendent in any operational area.

1. Board committees and other such entities by whatever name created by the Board will not be used to actively direct, advise, assist or oversee the staff. Committees customarily will prepare recommendations for Board consideration. Board committees will have no direct authority over staff and shall exercise limited demands on staff time and organizational resources only to the extent authorized in this policy.
2. Board committees may not speak or act for the Board unless specifically authorized. The responsibilities and authority of all Board committees are carefully stated in this policy to assure that committees fully understand their duties and extent of authority and to assure that committee work will not usurp or conflict with the Board's own authority or conflict with authority delegated to the Superintendent.
3. All Board committees (except those listed below) are considered to be ad hoc, or temporary. Each committee will be dissolved after the completion of its task or by the specified date. All Board committee meetings are subject to the open meetings law.
4. The Board will have 6 standing committees: Finance, Facilities, Technology, Human Resources, Curriculum & Instruction, and Policy. These committees and the Chair of these committees will be appointed by the Board Chair and approved by the Board. Committees may re-elect a new chairperson at any time by a simple motion with the committee and vote. They will meet as often as may be deemed necessary by the respective committee chairperson; but no less than once per fiscal year. Each committee will consider their respective roles and may recommend changes to their role to be approved by the full Board. If a Board member cannot attend a committee meeting, he/she may assign his/her position on the committee to another Board member for the meeting, as his/her proxy. A quorum of any Board committee shall be a simple majority of the total Board members appointed to such committee. The committees will consider:
 1. Board Governance policy changes. All policy changes will be recommended to and approved by the full Board.
 1. Becoming informed with respective departments, including RFP's for their respective departments as needed.
 1. Developing any Board work plans and scheduling Board information as needed.
5. The Facilities Chair shall appoint two Board members to a five-member selection committee involved in decisions concerning the construction of new facilities which have a budget between four million and fifty million dollars. At least one of the appointed Board members serving should represent the district where construction of the new facility is being built. Members of the Facilities Committee may serve on the selection committee. If Board members who are not members of the Facilities Committee are needed to complete the five-member Board complement of a selection committee, the Vice-Chair will be asked to serve and, as necessary, the Facilities Chair may appoint other Board members who are not members of the Facilities Committee to complete the membership of any selection committee.
6. The Facilities Chair shall appoint five Board members to a 10-member selection committee involved in decisions concerning the construction of new facilities which have a budget of fifty million dollars or greater. 7. Items coming before the Board for action shall be presented at the first meeting following the committee meeting to inform the Board of the recommendation. Discussion may be held and questions may be answered. At the second meeting, the item will be on the agenda for a full discussion, to inform the Board. Superintendent Accountability

The Board considers Superintendent performance to be linked to organizational performance. Organizational accomplishment of the Board's **Results** policies and operation according to the values expressed in the Board's **Operational Expectations** policies will be considered successful Superintendent performance. These two components define the Superintendent's job responsibilities, and are the basis for the Superintendent's performance evaluation.

1. The Board will determine organizational performance based upon a systematic monitoring process.
2. The Board will acquire monitoring data on **Results** and **Operational Expectations**
 - a. By **Internal Report**, in which the Superintendent submits information that certifies and documents to the Board compliance or reasonable progress;
 - b. By **External Review**, in which an external third party selected by the Board assesses compliance or reasonable progress with applicable Board policies;
 - c. By **Board Inspection**, in which the whole Board or a committee duly charged by the Board formally assesses compliance with or reasonable progress on the appropriate policy criteria.
3. The consistent performance standard for **Results** policies shall be whether the Superintendent has:
 - a. reasonably interpreted the policy and its subparts;
 - b. made reasonable progress toward achieving the Board's defined **Results** policies.
4. The consistent performance standard for **Operational Expectations** policies shall be whether the Superintendent has:
 - a. reasonably interpreted the policy and its subparts;
 - b. complied with the provisions of the Board policy being monitored.
5. The Board will make the final determination as to whether Superintendent interpretation is reasonable, whether the Superintendent is in compliance and whether reasonable progress has been made. In doing so, the Board will apply the "reasonable person" standard.
6. All policies that instruct the Superintendent will be monitored according to a schedule and by a method determined by the Board and included in the Board's annual work plan. The Board may monitor any policy out of this defined sequence, if it is determined by a majority of the Board that conditions warrant monitoring at times other than those specified by the annual schedule.
7. Each November, the Board will conduct a formal summative evaluation of the Superintendent. The summative evaluation will be based upon data collected during the previous academic year from the monitoring of **Results** and **Operational Expectations** policies. The Board will prepare a written evaluation document.
 - a. A summary of the data derived during the year from monitoring the Board's
 - b. Conclusions based upon the Board's prior action during the year relative to the Superintendent's reasonable interpretation of each **Result** policy and whether reasonable progress has been made toward its achievement;
 - c. Conclusions based upon the Board's prior action during the year relative to whether the Superintendent has reasonably interpreted and operated according to the provisions of the **Operational Expectations** policies.
 - d. An improvement plan addressing any deficiencies in Superintendent progress toward achieving the Results
 - e. An improvement plan addressing any deficiencies in Superintendent performance within the boundaries established in the Operational Expectations policies.
 - f. A summary of the Superintendent's strengths and weaknesses relative to achievement of the Results policies and operation within the values stated in the Operational Expectations policies.

The Board consists of eleven members and a chairperson, all of whom must be qualified electors of Horry County.

The State Constitution prohibits dual office-holding, except in instances when an officer is given ex-officio status by statute. Any officeholder who is elected to a second office must vacate the first office. Thus, a Board member may not hold another office. S.C. Code §59-15-10 prohibits any employee of Horry County Schools from serving as an Horry County Schools Board member.

The chairperson is elected countywide in general elections, beginning with the 1998 general election and every four years thereafter except as indicated below under "Officers." Eleven Board members are elected for four-year terms from 11 districts in the general election held on the traditional Election Day in November of even-numbered years. The single-member election districts from which members of the Horry County Council are elected constitute the election districts from which the 11 members of the Board are elected.

Five members (districts 4, 5, 8, 9, 11) are elected in years whose numbers are divisible by four and six members (districts 1, 2, 3, 6, 7, 10) are elected in other even-numbered years. Members assume office at the first meeting in January following the election.

The term of office of a newly elected member, or re-elected member, of the Horry County Board of Education must commence upon the date of the first meeting of the Board in January following the November election.
