

Approval of Expenditure of Annual Education Funds

Policy Reference:

Each Board member will have a \$7500 annual education fund available to designate for special projects related to education: \$3750 is allocated from July 1st to the first Board meeting in January, and \$3750 is allocated from the day after the first Board meeting in January to June 30th. The expenditure of these funds must be approved by the full Board. The funds, which do not roll over to the next cycle, are taken from the undesignated reserve fund balance. If no undesignated reserve funds are available, these education funds will not be allocated.
