Textbook Adoption
2019 – 2020

Policy Reference: "Materials selected by the textbook reviewing committees and approved by the Superintendent for use in the District will be presented to the Board as information." (*2018-2019 HCS Policy Manual*, "Textbook Selection, Adoption, and Disposition," Page 20)

Background Information: The Instructional Materials Division of the State Department of Education anticipates allocations to fund fully the subject areas up for adoption in the 2019-2020 school year. Selected materials will be placed in schools beginning August 2019.

All materials for this adoption went through the state public review process prior to consideration. The district adoption committee was comprised of teachers, administrators, ESOL teachers, and a parent. School-level representatives were instructed to vote based on input from all appropriate teachers in their schools.

Purpose: Based on the recommendations of the district adoption committees, the following have been selected for use beginning August 2019:

Career and Technical Education

Advanced Placement Computer Science A: *Introduction to JavaTM Programming*, AP® Edition, 10th Edition Pearson Education/ Prentice Hall
