

# Honors Weighting for High School Courses

**Policy Reference:** [South Carolina Honors Framework Implementation Guide – Appendix A](#)

**Background Information:** Beginning in 2017-2018, the local school board may approve new courses to receive honors weighting in all content areas except physical education. All new courses must be developed using the *SC Honors Framework* guidelines.

Honors courses must be developed and implemented to

- provide depth in rigor, complexity, challenges, and creativity beyond college preparatory level (CP) courses as outlined in the *Profile of the South Carolina Graduate*;
- be more challenging than CP level courses in order to foster growth for advanced learners; and
- offer a differentiated program of study that provides an array of opportunities for all students based on their aptitudes, achievement, and interests.

**Purpose:** Courses have been developed for honors weighting according to the requirements as outlined by the *SC Honors Framework*.
