

RESOLUTION ADOPTING HORRY COUNTY GOVERNMENT'S ALL-HAZARDS MITIGATION PLAN

Policy Reference: OE-7 – Asset Protection

The superintendent shall assure that all organizational assets are adequately protected, properly maintained, appropriately used and not placed at undue risk.

Background Information:

The Horry County All-Hazards Mitigation Plan was developed in accordance with the regulations of the Disaster Mitigation Act of 2000 and the guidance provided by the Federal Emergency Management Agency.

The purpose of the plan is to assist jurisdictions and special purpose districts with preparation and mitigation of natural and man-made hazardous situations.

The Horry County Emergency Management Department has facilitated the development of this multijurisdictional All-Hazards Plan, which is updated and adopted by resolution by the individual jurisdictions and special purpose districts every five years. The County signed the master resolution on March 2, 2021.

Purpose: Allow staff to work with Horry County Emergency Management Department as needed to prepare and mitigate any natural or man-made hazard that have the potential to cause harm to people, property damage, and adversely impact school-related operations within the area
