

Appointment of Ad Hoc Naming Committees for the Three New Schools

Policy Reference: *District Policies*, “Facilities: Naming New Schools, Mascots, and Colors,” page 265. See attached.

Background Information: Naming new schools and determining their mascots and colors is the sole responsibility of the Board. An Ad Hoc Naming Committee will be appointed to suggest possible names, mascots, and colors when the need arises.

Purpose: With the construction of three new schools, Ad Hoc Naming Committees will need to be appointed by the Board for the purpose of suggesting possible names, mascots, and colors for the Board’s approval. Naming Committees will need to be appointed for the new Carolina Forest attendance-area middle school, the new St. James-area intermediate school, and the new Socastee-area middle school.
