**Title    Naming of Socastee High School's Frontage Road**

**Policy Reference:**    Facilities: Naming of Adjunct Facilities

**Background Information:**

*Horry County Schools has maintained the access road which runs in front of Socastee High School since the school was built. On January 17, 2013, the State Highway Commission removed this access road from the State Highway System, and Horry County Schools officially assumed maintenance responsibility which it was already providing.*

*The road runs from River Road Easterly to Rosewood Drive – approximately 0.16 mile.*

The proposed name for the road is "Campbell-Shuford Boulevard", named after Mildred Shuford and Lucius Campbell.

**Purpose:** Establish a name for the road located directly in front of Socastee High School.
