

# 2015 Summer Scholars Program

JUNE 15 – 18  
JUNE 22 – 25

**On-Line registration began on March 27, 2015 and ended on May 8, 2015. \*Registration is now closed.**

The Summer Scholars Program provides academic enrichment opportunities to students in grades 3-11. The Program is not meant to supplant the regular school curriculum; rather, it recognizes the importance of allowing high achieving young people the chance to explore **critical thinking and learning through creative Exploration Modules** in the areas of science, math, and/or humanities.

## TARGET AUDIENCE:

This program is designed for students who are achieving at high academic levels and meet the criteria for GT identification or score 94%ile on a nationally normed achievement assessment.

## EXPLORATION MODULES:

- Students may enroll for 1 or 2 Exploration Modules per week.
- Enrollment accepted on a first-come, first-served basis, until classes are filled or registration ends.

The Exploration Modules support standards in the areas of math, English/language arts, science, social studies, foreign language, visual or performing arts, or any combination of these disciplines. The Exploration Modules are intended to be rigorous and challenging and provide a unique approach to teaching and learning. The instructional strategies should match the needs of the high-achieving learner and be based on an appropriate model. Modules are expected to be innovative, creative, high interest, and include technology application when possible.

## LOCATION:

**Academy of Arts, Science  
and Technology**

**895 International Drive  
Myrtle Beach**

## Morning Session:

**8:30 am – Noon**

## Afternoon Session:

**12:30 – 4:00 pm**
