

**Title: Conversion of Daisy Elementary School Calendar to
2015-2016 District Calendar**

Policy Reference: OE-10

The superintendent shall assure that the District calendar and the time made available during the instructional day assign priority to and best serve the learning needs of students.

Background Information:

Daisy Elementary School converted to a year-round calendar in or around 1996. Although the unique calendar has served the Daisy Elementary School during this time, the disparity with the District calendar has created misalignment with the calendar the other 51 schools utilize. During the Fall of 2014 the following meetings were conducted in the Daisy Elementary School attendance area:

Loris Advisory Board

Daisy Elementary School Improvement Council

Faculty and staff meetings were held on two occasions. At the second meeting, staff members were asked to vote on acceptance of the proposed change. More than 70% of the staff voted affirmatively.

Purpose:

To convert the Daisy Elementary School year-round schedule to the District calendar at the beginning of the 2015-2016 school year.
