

**Title** Consideration of Financial Support for National Competitions

**Policy Reference:** OE-5 Financial Planning

**Background Information:** Many school-sponsored teams compete in a variety of events throughout the year. As they advance from regional to state and even national levels, costs for competitions and travel increase.

**Purpose:** To financially assist school-sponsored teams that advance to competition at the national level.

**For additional information:** Contact Cindy Elsberry.

**Recommended Action:** Move to approve authorization for district staff to develop a plan for financially assisting school-sponsored teams that advance to competition at the national level.

**Estimated Project Cost:**
