

Title Conceptual Design

Policy Reference: Operational Expectations 13 – Facilities

Background Information:

At the February 10, 2014 board meeting, Bill Bradley of SHW Group reviewed the conceptual design process for projects in the short-term facility plan. Elements to be included in the process included scope, process, parameters & deliverables. At the February 17, 2014 Budget Planning Meeting, several conceptual designs for board members to review and provide feedback were available.

Purpose:

To determine if the conceptual design process previously approved by the Board as the Educational Specifications of the Comprehensive Facility Plan on October 21, 2013 will be utilized.

Recommended Action:

Recommend that the conceptual design process approved at the October 21, 2013 board meeting proceed for the following projects:

- Midland Elementary School addition
- North Myrtle Beach Middle School addition
- Socastee Elementary School replacement
- Horry County Education Center replacement
- Development of prototype designs for elementary and for intermediate/middle school
