

Permission to Issue Contracts

Policy Reference: OE-4 - The superintendent shall assure the recruitment, employment, development, evaluation and compensation of district employees in a manner necessary to enable the organization to achieve its Results policies.

Background Information: Due to the compressed window of time for completing the hiring process in the summer months, the district needs the ability to approve employment contracts to qualified applicants the four weeks after the June 18, 2018, board meeting and the two weeks after the July 23, 2018, board meeting. As in the past, contracts approved by the superintendent during this window will be submitted to the board for ratification at the July 23, 2018, and the August 6, 2018, board meetings.

Purpose: To seek board approval for the superintendent to issue employment contracts to qualified applicants the four weeks after the June 18, 2018, board meeting and the two weeks after the July 23, 2018, board meeting in order to facilitate the hiring process.
