A. Greenville County School Board Resolution on Education Oversight Committee

The Board Chair invited Senator Greg Hembree to attend tonight's Board meeting to share his point of view of the Education Oversight Committee due to his role on the Committee. Mr. Hembree stated the work of the EOC is vital to moving South Carolina forward in the field of K-12 education, as they are an independent group and he is of the belief that there needs to be independent, unbiased oversight in place for K-12

education in South Carolina. Senator Hembree added that the composition of the EOC, which has 17 members, is unique to South Carolina, with three members from the Senate, three members from the House of Representatives, one appointee of the Governor, five members who represent public education teachers and administrators, and five members from the business community. The membership allows a broad and diverse group to provide oversight. Additionally, Senator Hembree stated that the EOC can speak truth without concern of political consequences.

B. Facilities Committee Report

Mr. James gave a report from the Facilities Committee meeting held earlier today and shared highlights from the items discussed. A draft of a Five-Year Short-term Facilities Improvement Plan was discussed. A copy of the Plan was provided to all Board members. The Committee met and chose H. G. Reynolds Company to be the general contractor. This is a request for Board approval of the contractor selected.
